

Common Core Vocabulary Cards

Seventh Grade Math

NOTE: These words are suggested concepts for the grade level. Your school or district might use more words or words with similar meanings to these. If so, substitute those words in on some of the blank cards at the end. Some of them are not words students should have to be able to define necessarily, but they should have a general idea of what they mean and/or should be able to identify them if shown them.

Common Core Vocabulary

absolute value

area of a triangle

acute triangle

axis/axes

additive inverse

circumference

adjacent triangle

coefficient

area

commissions

area of a circle

complementary angles

area of a regular polygon

compound events

area of a quadrilateral

coordinate plan

Common Core Vocabulary

coordinate system

equilateral triangle

coordinates

estimate

cube

evaluate

data

event

degree of visual overlap

expression

diagram

factor

Distributive Property

frequency

equation

geometric figure

Common Core Vocabulary

graph

markdowns

gratuities

markups

inequality

mean absolute deviation

inferences

measure of center

integers

measure of variation

isosceles triangle

non-zero divisor

likely event

number line

long division

obtuse triangle

Common Core Vocabulary

ordered pair

population

origin

prediction

percent

prism

percent decrease

probability

percent error

proportion

percent increase

proportional relationship

plane sections

protractor

polygon

pyramid

Common Core Vocabulary

quadrants

relative frequency

quadrilateral

repeating decimal

quotient

right prism

random sample

right rectangular prism

rate

right rectangular pyramid

ratio

right triangle

rational coefficient

sample space

rational number

scale

Common Core Vocabulary

scale drawing

statistics

scalene triangle

substitution

signed number

supplementary angles

simple interest

surface area

simulation

surface area of a cube

solution set

surface area of a right prism

spread

tax

statistical variability

terminating decimal

Common Core Vocabulary

tree diagrams

volume of a right prism

triangle

x-axis

unit rate

x-coordinate

unlikely event

y-axis

variable

y-coordinate

vertical angle

volume (capacity)

volume of a cube
