

# Common Core Vocabulary Cards

## Third Grade Math

NOTE: These words are suggested concepts for the grade level. Your school or district might use more words or words with similar meanings to these. If so, substitute those words in on some of the blank cards at the end. Some of them are not words students should have to be able to define necessarily, but they should have a general idea of what they mean and/or should be able to identify them if shown them.

Common Core Vocabulary

a.m.

area model

add

arithmetic patterns

addend

array

Additive Identity Property of 0

Associative Property of Addition

algorithm

Associative Property of  
Multiplication

analog clock

attribute

angle

bar graph

area

bar model

Common Core Vocabulary

base-ten numeral form

compare

base-ten numerals

compatible numbers

centimeter

compose

circle

counting number

closed shape

customary system

column

data

Commutative Property of  
Addition

decagon

Commutative Property of  
Multiplication

decompose

Common Core Vocabulary

denominator

eighths

difference

elapsed time

digit

endpoint

digital clock

equal

Distributive Property

equal groups

divide

equal parts

dividend

equation

divisor

equivalent fractions

Common Core Vocabulary

estimate

fraction

even number

fraction bar

expanded form

fraction greater than one

expression

fraction less than one

fact family

frequency table

factor

gram

foot

greater than

fourths

half hour

Common Core Vocabulary

halves

inverse operations

hexagon

key

horizontal bar graph

kilogram

hour

length

hundreds

less than

inch

line

intersecting lines

line plot

interval

line segment

Common Core Vocabulary

liter

multiply

mass

noon

meter

number line

metric system

numerator

midnight

octagon

minute

odd number

multiple

ones

Multiplicative Identity  
Property of 1

open shape

Common Core Vocabulary

order

pattern

Order of Operations

pentagon

p.m.

perimeter

parallel lines

perpendicular lines

parallelogram

picture graph

parentheses

place value

partition

plane shape

partitive division

point

Common Core Vocabulary

polygon

rectangle

product

rectilinear figure

quadrilateral

regroup

quarter hour

related facts

quotative division

repeated addition

quotient

repeated subtraction

ray

rhombus

reasonableness

right angle

Common Core Vocabulary

round a whole number

standard form

row

subtract

scale

sum

side

survey

sixths

tally table

skip count

tens

square

thirds

square unit

tiling

Common Core Vocabulary

time interval

vertex/vertices

trapezoid

volume (capacity)

triangle

whole

two-dimensional shape

whole numbers

unit fraction

width

unit square

Zero Property of Multiplication

variable

Venn Diagram
